Our mission

*To fund the long-term
preservation and maintenance of
the Cathedral of St Peter-in-Chains*

The **Cathedral of St Peter-in-Chains**, with its commanding 150-foot steeple, is one of Downtown Peterborough's most prominent landmarks. Completed in 1838, this historic church stands as a clear reminder to the Christian roots of our city, the presence of God in our community, and the faith-centric path to its future.

Established in 1981 and registered as a not-for-profit charitable corporation in the Province of Ontario, the mission of **The Perpetual Fund** is to ensure the Cathedral of St Peter-in-Chains, this beautiful reminder of our Catholic heritage, endures for future generations, by supporting the physical maintenance of the Cathedral building and its grounds.

Donations to The Perpetual Fund are held in perpetuity and invested to earn interest. The interest becomes the funds used to support the mission.
